This Agreement may be terminated by either CLIENT or AECOM upon thirty (30) days' written notice in the event of substantial failure of the other party to perform in accordance with the terms of this Agreement. Client may also terminate this Agreement for any reason or no reason or for convenience upon five (5) days prior written notice to AECOM. In the event of termination of this Agreement, CLIENT shall promptly pay AECOM for all of the undisputed fees, charges and services performed by AECOM in accordance with the compensation arrangements under this Agreement or on an agreed hourly basis.

Subject 61st Street Boat Ramp
Galveston County, Texas
Proposal for Professional Engineering Services

Dear Ms Snook

AECOM Technical Services, Inc (AECOM) is pleased to submit this proposal to provide professional engineering services for repackaging, bid phase, and construction phase services for the 61st Street Boat Ramp located adjacent to Offatts Bayou in Galveston, Texas for the County of Galveston (the County)

PROJECT OVERVIEW

The County has heretofore developed plans and specifications dated September 30, 2010 prepared by AECOM titled "61st Street Boat Ramp" for the reconstruction of the boat ramp including the parking lot, bulkhead, and piers associated with the ramp

This project involves the repackaging of these plans, specifications, and contract documents that were originally advertised in April of 2011. Due to a lack of available funding at the time of the bid opening, the project was not awarded. Funding is now in place through various sources, therefore, the County wishes to rebid the project. The following scope of services will be provided by AECOM during the repackaging, bid phase, and construction phase of the project

BASIC SERVICES

Repackaging

- 1 Perform miscellaneous project management tasks including County coordination, billing preparation and review, and project status reports
- 2 Revisit site to assess changes in existing conditions that have occurred since April 2011 which may affect the accuracy of the existing and proposed information presented in the previous design package
- 3 Review and modify specifications and contract documents to include updated project information. This includes incorporation of changes and clarifications provided by addendum during the previous bid phase

Exhibit "A"

- 4 Review and revise drawings to include updated project information. This includes incorporation of changes and clarifications provided by addendum during the previous bid phase
- 5 Coordinate with TxDOT regarding driveway and landscaping permits. The original driveway permit was issued on October 18, 2010, requiring construction to be complete within six months of that date. AECOM has kept the permit up-to-date through three time extensions, however, the current, final time extension will expire on November 25, 2012. At this time the permit will be null and void and will require resubmission of the application for review and approval. Based on our anticipated schedule, this resubmission task will be required. The original landscaping permit was issued on September 22, 2011, requiring construction to be complete within one year of that date. AECOM kept the permit up-to-date through one time extension, which was valid until September 22, 2012. We have already requested another extension of this permit. It is our understanding that one more time extension will be allowed, although it has not been issued as of yet. This would change the expiration date to September 22, 2013. Based on our anticipated schedule, the project should be complete close enough to the expiration date to not warrant another extension or permit resubmission.
- 6 Review unit prices within previous cost estimate to determine validity based on current market conditions. Provide updated cost estimate that includes incorporation of changes and clarifications provided by addendum during the previous bid phase.
- 7 Perform internal QA/QC reviews prior to submission of review submittal and final submittal of plans, specifications, and contract documents.

Bid Phase

- 8 Coordinate with the County as needed for project advertisement. The advertisement will contain all provisions required by state law for County construction contracts. The County's Purchasing Department will pay for and place the advertisement.
- 9 Prepare and release the bid package for posting to the CivCast online bidding system. CivCast allows contractors to obtain construction documents and addendums and ask questions through the online system.
- 10 Attend the pre-bid meeting in Galveston.
- 11 Answer bidder questions before and after the pre-bid meeting, prior to release of the addendum(s).
- 12 Develop addendum(s) prior to bid opening.
- 13 Evaluate construction bids and provide a recommendation of award to the County's Commissioners' Court.

Construction Phase

- 14 Perform miscellaneous project management tasks including billing preparation and review and project status reports.
- 15 Prepare contracts between the County and the contractor awarded the project. Such contracts will contain all provisions required by state law for County construction contracts.

Exhibit "A"

- 16 Conduct the pre-construction meeting in Galveston
- 17 Handle coordination efforts between the County and contractor
- 18 Perform site visits to observe construction operations and progress Observation shall be limited to that necessary to confirm that construction is in compliance with the contract documents AECOM's project manager and construction manager will each visit the site a minimum of once per month Site visits will also serve as construction progress meetings
- 19 Review and process monthly and final contractor payment requests
- 20 Answer contractor requests for information (RFIs)
- 21 Review project submittals from contractor
- 22 Conduct a final walk-through after preparation of substantial completion letter Develop a punch list of items to be addressed by the contractor after the walk-through AECOM will verify that punch list items are complete
- 23 Prepare change orders as needed and submit to the County Project Coordinator for Commissioners' Court approval

ADDITIONAL SERVICES

- 24 AECOM will provide an inspector as a part-time project representative for the County, making sure the project is constructed according to the plans, specifications, and contract documents The inspector will be onsite during the installation of major work elements to observe construction activities and provide immediate direction The inspector will be onsite as needed to properly observe construction efforts and handle any issues that arise to help keep the construction schedule on track
- 25 AECOM, upon written approval by County's Park Planning and Natural Resources Manager, will subcontract the materials testing for the project to ensure project components meet the requirements of the plans, specifications, and contract documents

WORK NOT INCLUDED IN PROPOSAL

If the initial site visit reveals that site conditions have changed beyond a point that would allow for immediate repackaging of the original April 2011 plans, specifications, and contract documents, revisions to the original package may be warranted Any efforts to redesign any part of the project, including any updated survey that may be needed, are not included in this proposal AECOM will coordinate with the County prior to any redesign efforts and submit a separate proposal for any associated services

SUBMITTALS

AECOM will submit a 95% submittal package to the County that will include updated plans, specifications, contract documents, and a cost estimate The Final submittal will include a complete, biddable set of plans, specifications, and contract documents as well as approved TxDOT driveway and landscaping permits

SCHEDULE

AECOM anticipates that the 95% submittal of the repackaged 61st Street Boat Ramp will be made within 3 weeks of authorization to proceed. Final construction plans, specifications, and contract documents will be submitted within 1 week after receipt of the County's 95% comments. The anticipated schedule through construction is provided in Attachment 1.

BASIS OF COMPENSATION

For the basic services described above for the 61st Street Boat Ramp, we are requesting a lump sum fee in the amount of \$69,040. For the additional services described above, we are requesting a reimbursable fee in the amount of \$67,970. AECOM also requests reimbursable expenses not to exceed \$6,000. This includes mileage, reproduction costs, and other expenses as required for project completion.

Re: Request to Utilize State of Texas Cooperative Purchasing Program

Gentlemen,

It is requested that the Commissioners' Court grant authorization to the Purchasing Agent to utilize a State of Texas approved cooperative purchasing program as referenced in the Texas Local Government Code, Chapter 271 102, Cooperative Purchasing Program Participation, in lieu of the competitive bidding requirements as referenced in Chapter 262 023, Competitive Requirements for Certain Purchases to purchase one (1) special response vehicle for the Galveston County Emergency Management Department pending approval from the State Administrative Agency

This request is in addition to the vehicle requested on the November 13, 2012 agenda, item # 26 c

There is a requirement of the State to have the vehicles purchased and delivered by January 31, 2013 to be compliant with grant guidelines. These vehicles will be purchased from approved 2010 SHSP grant funds and have been approved by the H-GAC Board of Directors at a total cost of \$28,976.00

Your consideration in this matter will be greatly appreciated

Respectfully submitted,

Subject: *** OEM Request *** FW RHSCC recommendations for award of FY2010 de-obligated grant

Mr Crowder

Below is a copy of email showing that the request is pending approval of the H-GAC's Board of Directors. This grant request for the 2010 SHSP grant funds were awarded and have been approved by H-GAC for the purchase of two special response vehicles at a cost of \$57,952.00. This request is now at the state pending approval. The approval can take up to three weeks.

Due to time constraints and the close out of this grant, we are required by the state to have the vehicle's purchased and delivered no later than Jan 31, 2013, or the funds will be forfeited. We have completed the extension request and it has been approved.

I would like to place these vehicles on the upcoming Commissioners Court agenda for emergency purchase pending approval from the State Administrative Agency.
